

Interactive Workshops at Mozarthaus Vienna

A centre showing the life and work of the musical genius

At the Mozarthaus Vienna visitors can explore the only Vienna apartment of Mozart's that has been preserved, where he composed more music than anywhere else! Around this flat, a comprehensive presentation of the times in which Mozart lived and of his most important works awaits Mozart fans from all over the world. The exhibition is focused on the great composer's Vienna years, which represent the peak of his creative achievement.

Combined with a fascinating guided tour of the museum, the special 1,5-hour workshops are also a programme for Mozart fans, young and old: make the famous "Mozartkugel" chocolates from marzipan and nougat yourself, just like in a real confectioner's or learn how to dance as they did in Mozart's time! Perfect for all visitors, who really want to immerse themselves into Mozart's world!
